²³ The Lord makes firm the steps
of the one who delights in him;
²⁴ though he may stumble, he will not fall,
for the Lord upholds him with his hand.

Psalm 37:23-24

One more step along the world I go

I hope you had a blessed Easter, and Lent proved to be a period of spiritual growth for you. It was good to see so many attending our Lent course.

As we journey from Easter to Pentecost, we're thinking about our next steps as a Corps. We are looking at ways to share the Gospel in Oasis, please pray for Tony and the volunteers. Please also pray for those of us who sell the War Cry as we seek to be bolder in sharing our faith. The family has settled well into the Hope into Action house, we are praying that they would feel a part of the community and that strong relationships would be made.

I wonder if there's a next step you might take in your faith? Our Bible studies and TakeTime groups offer good ways to connect with God and each other. Perhaps there is someone in the Corps you could pray for and encourage, or a new spiritual practice you would like to try. Jesus is always calling us on to new ways of knowing Him, so I would encourage you to remain open to His prompting.
