## September 2025

<sup>9</sup> When you reap the harvest of your land, do not reap to the very edges of your field or gather the gleanings of your harvest. <sup>10</sup> Do not go over your vineyard a second time or pick up the grapes that have fallen. Leave them for the poor and the foreigner. I am the Lord your God.

Leviticus 19:9-10

### All is safely gathered in

Over the past few weeks many of us will have encountered farm vehicles on the roads and heard the combine harvesters working. Lots of the fields are now looking empty as the harvest has been gathered in. We anticipate our harvest celebrations, an opportunity to say thank you to God for his blessings.

The above scripture reminds us that right from the start of the Bible, God told his people to save some of the harvest for those who were less well off. Harvest is also an opportunity to show God's love and share the blessing. We have two harvest meetings this year.

Firstly we have a joint Harvest Service with the URC on 28 September. Further information on harvest donations for that service to follow.

Secondly, on Sunday 5 October we will have a meeting in our own hall which will include our monetary harvest offerings for the work of the Salvation Army. There will be more information on the notice board inside the hall.
